

## **SERVICES – BUILDINGS/FACILITIES**

Christian Malford has several venues where meetings or activities are currently held. These include All Saint's Church, the village hall, sports pavillion and recreation ground.

Each of these venues currently has core uses. During the appraisal process the value and use of these assets was specifically highlighted. The Village hall has the highest usage rate.

Christian Malford Village Hall

### **THE ISSUES**

- Village Hall, the medium, or long, term requirement for re-furbishment or re-built.
- All Saint's Church – parking / turning loop.

### **THE VISION**

To encourage the provision of facilities that will enable all residents to develop their full potential.

### **ACTION**

- Continued maintenance of village facilities.
- Investigate the future requirement, including funding, to modernise the village hall including a possible rebuild.
- Investigate the requirement to improve the car parking area, including the turning loop, at the Church.

## **SERVICES – SHOPS**

Although the main shopping appears to take place outside the Village; the community still support the Village Shop and Post Office and want to maintain them as a part of a thriving and sustainable Village.

## **THE ISSUES**

- Protection of the Village Shop and Post Office.

Christian Malford Village Shop & Post Office

## **THE VISION**

To ensure that the Christian Malford Village Shop and Post Office remain, and are supported.

## **ACTION**

- Liaise with the shop owner to investigate how best they can be supported.
- Obtain advice from relevant agencies on how best to retain this vital facility.
