Small Dwellings and Provision for the Elderly and Young:	AGREE	DISAGREE
"To enable downsizing for older and younger generation."	5	
"Need small development of 2 bed bungalows or flats for the elderly."	5	
"We need more 1st time buyer homes for young families to encourage a	7	
younger proportion of village residents."		
"Options for elderly residents so they can stay in the village."	7	
"Residential / nursing home needed."	1	
"Need smaller properties & bungalows so that residents can downsize	5	
to free up larger homes."		
"Need 1-2 bed properties for downsizing and maybe eco houses for	2	
these."		
"Need a small cluster of retirement type homes to free up larger	4	
houses."		
"A development of 1/2 bed properties is required."	2	
"Bungalows please"		1
"There must be at least 2/3rd of starter homes so that the village can	1	
have more younger people."		
"Need a mix of ages and social mix so that it is not	2	
expensive/exclusive."		
"Facilities for young people."	1	
"Any development should have smaller houses with the potential to	1	
extend as families living in them grow."		
"Housing to attract younger families. Good for village school and	1	
counters aging population."		
"Starter homes and homes for young families are a priority."	4	
"There are no suitable starter homes for first time buyers."	3	
"NF for young families and OAP's"		
"Station Rd and Main Road West suitable for bungalows and retirement	3	
homes."		
"Need starter homes for young families, this has been overlooked by all	4	
recent developments."		
"Be good to have affordable housing for young people to buy."	2	
The Mermaid	AGREE	DISAGREE
"Turn Mermaid into warden assisted accommodation"		
"The Mermaid site is an eyesore and needs sorting"	12	
"Would The Mermaid make an ideal village amenity ie shop/tea	1 tea-	2 re shop
room/village hall/meeting room all with plenty of parking?"	room	1 re tea -
	1 village	room
	hall	
	2 m/room	
"Would like to see The Mermaid open ASAP"	4	
"Replicate streetscape of Sutton Benger. Re-develop Mermaid with low	3	2
density housing as a pivot for further sympathetic expansion"		
"Use Mermaid for warden assisted / residential accommodation."	2	
"Maintain listed status for Mermaid despite changes."		

"Sort out The Mermaid. Tidy up the pub garden."	1	
The Pub	AGREE	DISAGREE
"Pub must be retained"	12	
"Pub is important"	5	
"Pub and village hall important"	13	
"Pub / restaurant."	2	
Negative comments regarding development	AGREE	DISAGREE
"Too many houses and the village will lose its identity."	1	
"Increasing the village will create a dormitory village, empty during the		
day with inherent crime risk."		
"If solely housing is considered the village will increasingly become a		
commuter village with loss of community spirit and cohesion."		
"If the village becomes too big it will lose its sense of identity and	3	
'belonging' to it."		
Positive comments regarding development	AGREE	DISAGREE
"Village must grow to sustain a demography that will utilise the facilities	3	1
that give it character."		
"Increasing residents is good for shop, pub and school."	3	1
"The village can easily cope with 35 new houses. Needed for future of		
school, pub and church. Might even generate new businesses."		
"A 10% growth over 10 years will not alter the character of the village."		
"35 homes will have little, if any impact on the first 4 points of Q1	3	1
(quality of life in CM). More people in the village may help protect		
village facilities from closing."		
Infrastructure:	AGREE	DISAGREE
"Infrastructure needs to be able to support the significant development	4	
	'	
in the area."
