

The NDP steering committee met at The Rising Sun 11th Feb at 19.30 hrs.

Present:

Kevin Watson (Chair)

Alison Crosse

Mike Lawrence

Colin Read

Ian Bell

Iain Le Duc

Jo Lawrence

Neil Chambers sent apologies

Agenda:

Topics for tonight, plus anything else you wish to raise:

- 1) Draft NDP document - review status. Revisions to section 8.2 are proposed below aimed at complimenting the facilities discussed in section 5.1 with greater emphasis on the natural environment in section 8.2. Open for comment.
- 2) Low cost housing - update on an initiative from Wiltshire Council to build low cost bungalows close to the river frontage in MM. I would like us to agree the NDP position to advise PC prior to formally responding to WCC. Hope that makes sense!
- 3) Site assessments - update and review from Ian (and me)
- 4) Discussions with Louise Tilsed - all of of the above
- 5) Next public meeting preparations
- 6) AOB

Photographs to place on the NDP were discussed. Please send to Mike - especially interested in either firework display / cricket match or something with a community feel to it.

Mike to update Version 4 to send out to committee as well as Louise Tilsted (WC) for her comments.

The Housing dept WC met with Kevin Watson concerning their intent to approach the Parish Council to put low cost housing on Malford Meadow. They were surprised to find a 'Village Plan' was in progress. Unless the Parish Council give permission willingly, it is thought they will look elsewhere to build.

Iain Le Duc & Colin Read contacted six farmers, four of whom showed no interest in a discussion. The two farmers they met were supportive of string development along the Main Road. Colin Read will issue a report.
