Those present:

Kevin Watson

Apologies: Andrew Moss

Ian Bell gave a short update on The Mermaid. The Parish Council plan to issue an enforcement notice on the owner of the property. There is a delay with any plans as its boundaries are unclear.

The group worked through the posters and made some alterations to the Map poster and agreed Comments posters required the Logo.

Kevin & Ian ran through the slides they will use for their PP presentation and the group suggested a few changes.

Things to do:

Kevin - email Mike the Logo as well as your posters for printing
Mike - Print 2 copies of the annotated village plan as per Ian's request
Mike - Print Comments, adding Logo sent by Kevin
Mike - PP of village plan to be sent to Kevin and Ian with and without annotations
Mike - A0 of parish
Kevin - Flip chart, stickies, postits and blu tack
Iain - Enquire about the 3m screen
Ian - Make Post Code form for attendance record
Neil - Power Point clicker
Kevin - Book VH for Sun 28th dress rehearsal
Alison - Display boards
